Meet Jennifer Ferringo

Legacy Lifecare VNA & Out-Patient Therapy's Certified
Occupational Therapy Assistant & Community Liaison

Jennifer has over 30 years of experience as an Occupational Therapist Assistant. During her time with Legacy Lifecare, she has worked at Katzman Center for Living, Leonard Florence Center for Living, Cohen Florence Levine Estates Assisted Living, Florence & Chafetz Memory Care Assisted Living and most recently at Legacy Lifecare VNA and Hospice. Jennifer has greatly enjoyed working with the geriatric population within our sister communities. She has quickly taken an active role by assisting several Kaplan Estates residents with VNA services. She looks forward to the opportunity to connect with each of you!
